ABSTRACT

Fall 1984 enrollment data for North Dakota state and local colleges and universities are presented. Headcount enrollment for each institution is provided for the following categories of students: freshman, sophomore, junior, senior, graduate, special, unclassified, and professional. A similar format is used to present full-time enrollments, total student credit hours of part-time students, full-time equivalent enrollments of part-time students, total of full-time and full-time equivalent of part-time enrollment, and full-time equivalent enrollments based on total student credit hours by level of students. Additional tables cover: nonresident headcount undergraduate enrollment by state; nonresident graduate and professional headcount enrollments by state; headcount enrollments by county of residence for North Dakota students; total in-state enrollment by county of origin; fall in-state enrollments by county of origin for each college and university; headcount enrollments for each institution by race, veteran status, sex, marital status, and transfer status; and total student credit hours produced by course level by student level for each institution.
